

## DC 2100 Industrial Dust Collector

DC-2100 dust collectors were designed to integrate with our Series 3 industrial paper shredders but they can be utilized with any industrial paper shredder, regardless of the manufacturer.

### Standard Features:

- Rugged, all steel construction
- Minimal power consumption
- Small footprint & efficient design
- 1200 CFM (cubic feet/minute)
- Dual filtration system
- NORDFAB QF ductwork
- Manual purge for automatic filter cleaning
- 99.99% efficient on particles 0.5 micron and larger
- Clean/unclean air sections are separated by a solid steel partition
- Custom paint colors and powder coating available
